Date:

Assignment - 11

Q.1 Explain the feasibility of Career Options.

→ Career feasibility means checking whether a career option is suitable and practical for us. It depends on our skills, interest, education, job opportunities and future growth. Some career options are:

1. Industry - working in software, IT or other companies.
2. Academic - Teaching, research and higher studies.
3. Public Sector - Gov job and public organization.
4. Entrepreneurship - Starting and managing our own business.

Q.2 Explain Networking.

Networking means building and maintaining professional relationship with people who can help us in our career.

Three benefits of networking are:

1. Industry Connections - helps us connect with professionals and companies.
2. Knowledge sharing - we can learn new skills and get useful guidance.
3. Job opportunities: Networking can help us find in interest and job opportunities.
